It's easy to see why impressionist painters were drawn to this little coastal town. The sunny skies, deep blue waters, cobblestone streets and distinctive architecture make it seem like a pastel work of art.

Charmante

Celebrated as the capital of the French Riviera, Nice is the starting point of awe-inspiring journeys across the scenic Côte d'Azur coastline. Few things compare to taking in sunsets as breath-taking as these.

Épique

From the quaint streets of Old Town to the charm of Promenade des Anglais; the intrigue of the museums to the wonder of age-old cathedrals, there's rich history seeped into every part of Nice.
